

FLAVOURED WATER DROPS

Flavoured water has conquered the world in no time. But do you know what you drink? Is it water or more like lemonade? They might taste or look great. But yet, not one is as sustainable, fresh, tasty and easy to use as our fresh frozen blends in easy to handle drops. Try them and be amazed!

FORGET ABOUT POWDER

It doesn't get fresher than this. Fresh water made from real and fresh fruits, herbs and other great natural stuff.

BYE BYE WATER TRANSPORT

Prefer buying water in bottles? Know that you are transporting water from the other side of the world.

THE IDIOT PROOF SOLUTION

Choose your strength. Just count the amount of drops per serving and serve the customer just what he needs.

MAIN ADVANTAGES

- ✓ Made from fresher than fresh real fruit, spices & herbs
- ✓ Save thousands of liters of transported water
- ✓ Count your drops

REAL WORLD EXAMPLES

1. **Fill up your drinking bottle to go to work.**
Drop some drops in your reusable bottle, top up with tap water, step into your car and enjoy 15min later the best flavours.
2. **Hotel breakfast in big jars.** Serve great morning water drinks in no time on the breakfast buffet and amaze your clients.
3. **Sangria style jars with drops & fruit.** Take a jar, add your desired (non-)alcoholic drinks, some fresh or frozen fruit and some drops and enjoy YOUR unique made flavour.
4. **Prefer lemonade?** Add 50/50 pellets with sparkling water and enjoy your real fresh lemonade.

Your idea or your flavour

We are flavour geeks. Your idea is our mission.
