IQF BOOSTERS *In frozen drops*

Proven functionality, right dosages and secured throughout the whole shelf life of your product. Easier said than done. But look, here they are, 3 products that do not only make you feel better, stronger or healthier, but in fact really work! The neutral carrier apple puree combined with the 4g weight gives kitchens, and industrial assembly lines the opportunity to guarantee accurate dosing, with minimal flavour impact.

EACH CLAIM ITS DOSAGE

Ask us about the needed dosage for each application, we are happy to help you further.

FROM SPORT TO HEALTH

The correct food can help you control your digestion better, your weight or boost your wellbeing. Whether it is to be provided with the right amount of proteins or improve your digestion with pre- or probiotics.

MAIN ADVANTAGES

- ✓ Correct weight or size for your packaging
- ✓ Health claim on your product
- ✓ Usable in any application
